

Are you a current student or recent graduate who cares about social justice issues?

Are you interested in learning more about community organizing?

Are you looking to get valuable field experience to strengthen your resume?

Join the **Chicago Coalition for the Homeless** as we convene a cohort of students to help expand our virtual organizing footprint, register voters and pass Fair Tax in Illinois! By participating in this cohort, you will learn key principles of community organizing, network with other students and professionals passionate about social justice and better understand how to be civically engaged to address homelessness and other social justice issues. Participants will receive a certificate upon completion of the cohort.
