

# VOTE *YES* ON FAIR TAX

## THE RICH DON'T PAY THEIR FAIR SHARE

In Illinois, the rich don't pay their fair share in taxes, and there isn't enough money for our communities. Public schools and mental health clinics have shut down, and we do not have enough affordable housing. **This needs to change!**

## TAXES ARE UNFAIR

Right now, the Illinois Constitution requires a Flat Tax where millionaires and billionaires pay the same tax rate as everyone else. **That's not fair!** Millionaires should pay MORE than teachers, nurses, and other workers who are struggling to get by.

## THAT'S WHY WE NEED A FAIR TAX

The Fair Tax will make the rich pay their fair share by allowing **higher tax rates on higher incomes and lower rates on lower incomes**. Only the richest 3% that make more than \$250K will pay a higher rate; everyone else will get a tax cut or pay no more than we do now.

## FAIR TAX MEANS MORE MONEY FOR OUR COMMUNITIES

Fair Tax will raise more than \$3 billion a year! That's money we can invest in community needs like housing, health care, schools, mental health services, and roads. With the COVID-19 pandemic, our communities need resources now more than ever.

## HOW WE WIN FAIR TAX

The Fair Tax constitutional amendment is Question 1 on the ballot in the general election on November 3. **We win by voting YES on Question 1 on November 3 and getting all our friends, family, and neighbors to vote YES with us.**
